

## Build Your Brand through Sponsorship

The Lasers & Photonics Marketplace Seminar is celebrating its 30th year providing market insights for laser and photonics professionals. Our unique one day conference offers executives detailed insight on industry specific market trends. Additionally, the event offers a breakfast, lunch and cocktail reception for networking opportunities. Sponsorship at this event demonstrates leadership and brand awareness to other industry leaders as while they are gathering critical market information for the new year.

### Sponsor Benefits:

- Alignment with the only event which delivers comprehensive analysis of the global market for lasers and all of photonics
- Networking opportunities with top executives from the lasers and photonics industry
- Early access to the Worldwide Laser Market Report content
- Highly visible marketing during the seminar
- Year-round exposure through the Laser Focus World Marketplace eNewsletter
- Association with new markets and cutting-edge technologies
- Discounted rate on the full laser report
- Editorial coverage in the Laser Focus World magazine, eNewsletters, and website
- Logo on electronic and print marketing before, during, and after the event
- Electronic copies of proceedings
- Discounted rates for key employees to attend the seminar
- Additional specific deliverables based upon sponsorship level

### Special Supplement

Leading seminar sponsors will be included in the March 2018 issue **Laser Focus World** supplement alongside content from the Seminar.

## Who Attends

This event is intended for business leaders and key players at photonics manufacturers and their suppliers as well as anyone with a stake in the business of photonics, such as technology analysts and investors. Target attendee audience includes:

- Presidents, CEOs, and COOs
- Chief Technology Officers
- R&D Management
- Sales and Marketing Executives
- Business Development Directors
- Managing Directors
- Business/Technology Analysts
